

Eagle Sky Scholarship Program

A. Objective Standards for Eligibility:

The following guidelines are used to determine if a Scholarship Applicant is eligible for an Eagle Sky Scholarship.

1. Age: Camper must be 8 to 18 years old
2. Camper's family is unable to afford sending this child to Camp at Eagle Sky without financial assistance, as determined by using the Eagle Sky Income Eligibility Guidelines and the financial information submitted with the Eagle Sky scholarship application.
3. The Scholarship amount shall not exceed 50% of the normal full camp fee.

B. Scholarship Program Guidelines

Eagle Sky strives to make camp available to as many campers as possible. Aside from income, Eagle Sky evaluates a number of other factors to determine scholarship recipients.

Eagle Sky strives to provide a camp experience to campers of differing social, cultural, and economic groups.

The Eagle Sky Camper Scholarship Program does not discriminate against any camper applicants based on race, color, national origin, age, or sex.

The applicant is required to pay a non-refundable deposit of \$50 with the submission of their application for an Eagle Sky Scholarship. The deposit will be applied to your Camp Fee if you attend Camp. If you do not attend Camp, the deposit will not be refunded.

Scholarships are evaluated on the basis of the information provided on the Eagle Sky Scholarship Application, Scholarship Funds available, and space availability for the requested Camp Session. No other discounts, coupon, or promotion may be used with a Camper Scholarship.

C. Income Eligibility Guidelines:

In general, consideration will be given to anyone who completes an Eagle Sky Scholarship Application. Income eligibility guidelines below should be used to determine if an applicant is, in fact, eligible for a scholarship.

D. Frequently Asked Questions

1. Does the scholarship cover all the costs?

- No. Scholarships are given based on individual need, and the parent or guardian must pay any portion not covered by scholarship. Scholarships are rewarded at the maximum of 50% of the camp fee.

2. Where does the scholarship money come from?

- Scholarships are made possible through direct donations of individuals and organizations. Scholarship money is not raised from the fees we charge our campers.

3. Who is eligible?

- Anyone who feels they meet the financial threshold guidelines are eligible to apply. The scholarship program is not available for groups or churches.

4. Will I get a scholarship for sure?

- Unfortunately, we cannot guarantee every request will be granted. Each application is reviewed by our staff and awards are made based on financial eligibility, available scholarship funds, and available camp space.
-

5. Will I get to pick the week of camp I attend if I receive a scholarship?

- Unfortunately, there are limited spaces available for scholarship recipients, and we cannot offer a preference date for summer camp. If you are already registered for a specific week of camp, this does not apply.

6 When are scholarship applications due?

- There is no due date for camp scholarships. Our staff will begin awarding scholarships for the following summer beginning in September. Scholarships will be awarded on a first-come, first-serve basis, so we encourage you to apply early.
