

Eagle Sky of the Ozarks Christian Camp

Frequently Asked Questions: Parents

What if my child has food allergies?

There is a section in the registration process where you can indicate food and other allergies. That information will be given to the Food Service Director and the Camp Nurse. You will get an email from our food service department to discuss the specifics of the allergy. You may also contact him directly at foodservice@eaglesky.camp or 573.287.3227. There will be an extra \$10 charge per day for special diets.

Can my child bring their medication?

Yes. Please fill out the medical form during registration and update before camp if any new medications have been added. Please have all medication ready to give the Health Center Staff at check-in. Please do not pack in suitcase. It must be in the original bottle with only the amount needed for their stay at Eagle Sky. All inhalers, nasal sprays, and EPI pens must be in the prescription box with label and must NOT be expired. All prescription bottles should come in a Ziploc bag with child's name and session # on it. Please do not bring over-the-counter medication. Designated medical professionals are available at the Health Center to dispense OTC medication as needed. No vitamins or herbs will be accepted without a doctor's note.

Will my child and their friend be together at camp?

Bunking: During the registration process, you will see a spot for Roommate Request. Please fill that out so we know who wants to bunk together.

Activities: During Kids Camp, most activities are done as a bunk. At Teen Camp, campers are assigned to random teams for some activities, but they can meet up with their friends for free time activities.

If your child is coming with their church, the group leader may have a different roommate system. Please check with them.

What time is check-in?

Check-in for Summer Camp is Monday from 2-4pm. Please follow the signs and Eagle Sky staff will give further instructions to help with luggage and the check-in process.

What time is check-out?

Check-out is on Saturday at 10:00 am. The process will be very similar to check-in. Please follow the signs and Eagle Sky staff will direct you further. Please contact the office if your child will be picked up by someone other than yourself.

What should my child bring with them to camp?

There is a complete "What to Bring" list on our website (eaglesky.camp the link is on the Camps page and the Media page), but some of the common things are: Bible, modest and casual clothes, water shoes, flashlight, sleeping bag or twin bedding, towels, and toiletries.

What should they leave at home?

Please leave all electronics at home, including cell phones (there is no cell phone service at Eagle Sky). We also don't allow campers to bring snacks or outside food or drinks. No knives, firearms, fireworks, tobacco, drugs, or alcohol.
